## Churches Big Day Out By Steve

**Wiston House near Steyning** was the venue of the Churches big Day Out on May 28th and 29th. Now in its third year. With so many bad things happening in the world lately it was so good to be able to get together with 20,000 Christians from all over the UK and celebrate our wonderful Saviour. We went along with about thirty folk from a 200 member church in Sussex. It didn't matter if you didn't come with your own local church because we were all one big family. The main arena was the backbone of the event and base camp for every church group (instantly recognizable by the mandatory umbrella or picnic blanket). With Pete Greig (24-7 prayer, Holy Trinity Brompton) and Diane Louise Jordan (Songs of Praise) co-hosting on the day, we were guided through the day with ease. There were three stages to suit most musical tastes. The main stage is where we came together -all shapes, ages and sizes, to join in with the celebration of all things good! To assist us in this we had a world-class line-up of worship leaders, including; David Crowder Band, Chris Tomlin, Toby Mac, Newsboys, Israel Houghton and Matt Redman, After Christ Tomlin's set a lady beside me said "I think I have just died and gone to heaven". The highlight for me was during the Matt Redmond set scores of people responding to an appeal to become Christians. It was an unforgettable day.
